LAMOURE COUNTY COMMISSIONERS

The LaMoure County Commissioners met on Tuesday morning for their second meeting of the month with all the members present.

Road Superintendent Darrick Nitschke said that they are ready to submit all the paperwork for the DOT Flex Funding grants. He is working with townships for their grant applications also. In order for a township to qualify for the Flex Funding grant, they need to levy at least 18 mills to get a better ranking that will better their chances to get the money. They also cannot have over \$100,000.00 on hand to qualify. A couple of the applications were for box culverts. The crews are getting the roads prepared for winter with some blade work. The county also is putting in for repairs on the Nortonville road. They agreed to pay

EKM 1st; LLM 3rd in Region; Local golf teams HEADING TO STATE!

Congratulations to Edgeley-Kulm-Montpelier's Girls' golf team on being Region Champions. They qualified for the state tournament! Pic. l-r: Coach Bradyn Good, Hattie Tjernlund, Shelby Schleppe, Jozie Kiecker, Alli Strobel, Mazie Tjernlund, Coach Lucas Madcke. Not pictured: Randy Jo Vanderhoven.

The LLM LOBOES took third place at region tournament, and State qualified. Pictured l-r: Alivia Lacina, Faith Peterson, Addie Robbins, The 2025 NDHSAA Class B Girls Golf State Tournament will be held Sept. 29-30 at Pheasant Country Golf Course located in South Heart, ND. Good Luck, Teams!

Congratulations to Tyler Van Bruggen coach of the year; and Addie Robbins, Region 3 Senior Athlete in girls golf.

Addie Robbins 6th place, Emelia Lehr 9th place. Both State qualified.

Axl Lesko Benefit

The Axl Lesko Benefit is this Saturday, Sept. 20th, 4:30-7 PM at Sunset Park in LaMoure. On the menu will be burgers, hotdogs, nachos, mac salad, rootbeer floats & cupcakes.

Axl has been diagnosed with Burkitts Lymphoma. He is the son of Ryan and Eve Lesko.

There will be inflatables and games, a silent auction & and live auction. The live auction begins when the silent auction ends, at 6 PM.

The event is sponsored by the LaMoure Youth Baseball & LaMoure Lions.

LaMoure School Board

The LaMoure School Board held their state mandated public hearing on Wednesday morning before their regular meeting. There were no citizens at the meeting to question the school's budget. This is a state mandated meeting if any public entity increases their tax levy by \$1.00 or more. The school stayed within the 3% increase that was the maximum levy allowed by the state. The total revenue from all sources will be \$5,325,843.00. This is a total increase of .07% from last year. Total budgeted expenditures will be \$5,659,132.00 which is an increase of 3.7%. The state payment for per pupil aid should be \$4,195,498 but the school actually gets \$3,115,964.00. The increase in expenditures are due to increase in staff, increase in salaries and health care costs, and just the general increase in the costs of everything the school purchases.

Mr. Carlson went over the financials for the school year so far. There is nothing out of the ordinary at this time.

Mr. Carlson said that he is still trying to adjust the bus routes so the kids are not on the bus for over an hour. He will take any suggestions to the routes.

High School Principal Mr. Isaacson reported that the baseball boosters paid the school for their summer concession stand. He said the students are doing some testing now. The schedules have all been adjusted. The cell phone policy is working well. Some kids unintentionally may have it on them. The teachers said it has been positive. The homecoming parade will be at 2:30 Friday. This way all the kids can participate. All the fall activities are in full swing. Next week will be busy

Community Volunteer EMS of LaMoure to Offer AED Training

Members of Community Volunteer EMS of LaMoure invite the public to attend a free training on the use of Automated External Defibrillators (AEDs) on Wednesday, September 24 at 5:15 p.m. The session will be held at the Emergency Response Center in LaMoure and is open to community members of all ages.

The 30-minute training will provide a hands-on opportunity to learn:

- How to use an AED
- When an AED should be used
- Special situations to be aware of when using an AED
- The locations of AEDs available throughout the community

An Automated External Defibrillator (AED) is a portable medical device designed to quickly analyze the heart's rhythm and, if necessary, deliver an electric shock to help restore a normal heartbeat. AEDs are simple to use, with step-by-step voice instructions, and can be lifesaving when someone experiences sudden cardiac arrest.

If you have any questions, please contact Kelli Just at 701-238-8410.

Kulm Messenger & LaMoure Chronicle Customers:

Please direct all calls to the LaMoure County Chronicle office in LaMoure at 701-883-5393; or email: chronicl@drtel.net
