GUELPH NEWS...

All are welcome to attend the nondenominational services held each Sunday at the Guelph Community Church at 10:00 a.m. with Pastor Scott Townsend officiating. Dress is casual and fellowship optional.

If you come to Guelph these days you will notice a significant addition to the Community Center. The Guelph Community Development Association just had a very elaborate and fun Rainbow Play System installed on the south side of the gym. The location was selected so children could play under the watchful eyes of their parents/grandparents/caregivers during the event without worrying about them crossing the parking lot. It's been tested by some 'Swingers' and pronounced FUN!

There are SO many people to thank for their financial support and encouragement to get this playground equipment procured and set up. If you would still like to be a part of this project as a donor, just contact any one of our board members: Bob or Judy German, Doug Courtney, Jon Hansen, Gail Scheffert or the Rosendahl's.

Work has been going on inside our facility as well. For the last week, Chad's Electric (Vince) has been updating our lighting to all LED lights. It has been very labor intensive for both the elec-

trician and the 'Elves'. But the transformation is amazing!

Kudos to the Oakes Community for their outstanding efforts to make Irrigation Days a fun time for everyone. The Car Show on Saturday seems to be growing every year. Even tho' it was a bit chilly, Hockenbery Park was filled with classic vehicles. The camaraderie between exhibitors and admirers was also fun to experience.

The Thorpes held a 'Group Birthday Celebration' at the Angry Beaver on Tuesday, the 17th. Those honored were: Harvey Waletzko (via phone); Jack Thorpe; Robert and Lily Thorpe. While everyone else

got cake, Harvey, at least, got serenaded. Those joining in the celebration were: Waletzko's via phone; Robert and Family; Ross and family; Joyce Laney; Larry and Jeanne.

The Guelph Development Association held their regular monthly meeting Monday night, the 16th. Since it was a nice evening, all those attending went out to the memorial trees to do some maintenance work after the meeting.
