

Anderson family earns “Yard of Week”

Miranda and Aaron Anderson, who live at 204 N. Park Street in Hebron, were selected by the judges to receive the “Yard of the Week” honors for the third week of September 2025. Their yard is beautiful with begonias, bird of paradise, verbena, lantana, dragon’s breath, geraniums and coleus. Miranda is especially fond of vibrant and bright colors. You will find sedum plants lining the walkway to the front door of their home.

Blessing ceremony held for newly installed cemetery crucifix Saturday

From Page 1

Another important part of installing the cross was cleaning out the hole in the ground where the original cross had been located. Tibor added that Emil Vogel was especially valuable and “just wouldn’t give up” while attempting to make room for the new cross to be installed.

Father Gary added that very appropriately on the evening the cross was blessed, the Catholic Church celebrated the Feast of Exaltation of the Holy Cross of Jesus. To bless the new cross that evening was a reminder that when we and our loved ones experience death, the cross of Jesus is our hope.

Tenth annual Dash for Donations Color Run was held September 10

The Hebron Public School hosted the 10th Annual Dash for Donations Color Run Wednesday, September 10.

This year, it was voted for the money raised to be donated to the Hebron Park Board and North Dakota Community Foundation. Each of the recipients received \$1,500 as a result.

To date, the Dash for Donations Color Run has raised \$35,303.32, which has all been donated back to various organizations in our community. We value the importance of our youth to learn the value of giving back to our community, which is not learned in text books, but by example and they are doing a fantastic job!

Cale Wanner was nice and colorful following the color run.

The Color Run thanks the following businesses that made this event possible again this year - Prairie Nutrition Center, Mac and Lisa Elmer, Solem Law Office, Circle E Transportation, Schneider Brothers Electric, Dakota Community Insurance, Aerial Crop Care, Hebron Brick Company, Heritage Insurance, and the American Legion.

We thank everyone and all who have supported this cause in the past and look forward to hosting the event next year! We live in a community that is truly amazing and we, at Hebron Public School, are so thankful to be a part of it! See you next year at the Dash for Donations Color Run.
