Walsh County Highway Department

Administrative Officer

The Administrative Officer is responsible for carrying out administrative support tasks relating to the financial and business operations of the department. Responsibilities include monitoring budgets for expenditures and revenue levels; preparing and maintaining accounting records, reports and financial statements. Develop, implement and maintain the department's forms and records management programs. Aids Highway Superintendent and oversees implementation and maintenance of automated record keeping system. Provide information and assistance to political subdivisions, staff and the general public regarding departmental issues. This position also serves as the County Risk Manager. Applicants should possess an associates degree or equivalent from a two-year college or technical school or college level course work in business administration or related fields, and/or five years of related experience in high level administrative support function. Work experience must reflect an ability to communicate effectively, perform basic math skills, and have a clear understanding of Microsoft Applications. Benefits include health insurance, flexible spending, life insurance, vacation, sick leave and retirement.

Applications and full job description can be found online at walshcountynd.com. Completed applications must be submitted to Walsh County Highway Department, 600 Cooper Avenue, Grafton, ND 58237 or to jejohnston@nd.gov. Application deadline is May 12th, 2025.

Walsh County is an Equal Opportunity Employer.
