Wilton School District #1 9/11/2026 12PM Communications Committee Meeting

In attendance: Board Members Jessica Oswald and Kerri Benning (by phone), Superintendent Andrew Jordan, and Business Manager Jenna Kirchmeier.

Athletic Director/Transportation Discussion: Superintendent Jordan explained that, following last week's meeting, it was determined that the Athletic Director position has become more time-consuming than the current allocation allows. Superintendent Jordan proposed splitting the assistant athletic director responsibilities, with the Wing Assistant Athletic Director working ½ time and a Wilton Assistant Athletic Director working ½ time and splitting the Assistant Athletic Director pay between the two.

Board members discussed funding options. Board Members Oswald and Benning suggested allocating $1,000 from the co-op toward Wing's Assistant Athletic Director (transportation director) expenses, with the remaining funds going towards those assisting with duties in Wilton.

The Committee members expressed that, ultimately, they would like to see Wing have a dedicated Transportation Director while Wilton has an Assistant Athletic Director. This would provide additional support given the significant workload currently handled by the Athletic Director.

The meeting was adjourned at 12:19PM.
