Communications Committee Meeting

In attendance: Board Members Jessica Oswald and Kerri Benning, Superintendent Andrew Jordan and Business Manager Jenna Kirchmeier

Wilton Public School Student Weight Room Access Agreement

Superintendent Jordan reviewed the proposed Wilton Public School Student Weight Room Access Agreement. Board discussion included expanding eligibility to students participating in Wilton-Wing cooperative sports or activities. Board Member Oswald suggested requiring all students participating in sports to complete and sign the agreement. The Board discussed requiring students to remain in good standing and clarifying that weight room access is limited to the weight room and does not provide access to other areas of the school. Proposed access hours would be limited to 6:00 a.m. through 11:00 p.m. The agreement would also address the cost of replacing lost or damaged key fobs. The Board discussed establishing a minimum grade level or age requirement for independent weight room access.

Wilton Public School Weight Room Supervisor

Board Member Benning suggested that all new weight room users receive an orientation before being granted access. The Board also discussed establishing an age or grade level at which students may use the weight room independently. Discussion included the possibility of providing an hourly stipend for a Weight Room Advisor/Supervisor, with a maximum of five hours per week, primarily during after-school hours. Superintendent Jordan will develop an hourly pay schedule and provide an updated listing of the Weight Room Advisor position during the school year.

Wilton-Wing Athletic Co-op Funding

The Board discussed potential proposals for funding the Wilton-Wing Athletic Co-op. Options included using a partial funding component with the remaining amount based on participation, funding based on a percentage of participation, and considering a participation-based model that would not require payment for transporting Wing students to Wilton. Further discussion will be needed to determine the preferred funding method.

Meeting is adjourned at 6:32pm
